ORGANIZATION

Did you know that being a REALTOR® Affiliate member provides you with resources, tools and access to your primary target audience? Your REALTOR® Affiliate membership is a small investment with **overflowing rewards**.

- **NETWORKING** – Promoting a product or service? Attend GAR meetings and conventions and get face-to-face with potential clients and business partners from across the state.
- **LEGISLATIVE ADVOCACY** – Laws that impact REALTORS® and real estate also impact everyone with whom they do business – closing attorneys, appraisers, inspectors, pest control providers, etc. Our lobbyists are fighting for your business!
- **MEMBER DISCOUNTS** – Affiliate members receive membership discounts as well as discounts on professional development classes offered through GAR. See how you can save on office supplies, insurance, mobile phones and more.
- **COMMUNICATIONS** – Receive GAR’s magazine, Georgia REALTOR®, as well as our monthly e-newsletter, the GAR Bulletin, to stay on top of all things happening at GAR. Plug into GAR’s social media networks on Facebook, LinkedIn and Twitter to receive the most current GAR news.
- **DISASTER RELIEF FUND** – All GAR members – not just REALTOR® members – are eligible to collect funds from the GAR Disaster Relief Fund should your home be affected by a natural disaster. In 2009, GAR disbursed more than \$39,000.00 to our members who had suffered damage from the floods in September 2009.

“Arrow Exterminators is proud to have been an Affiliate member of the Georgia Association of REALTORS® for well over 13 years. The exposure to the general membership and its leaders has been an invaluable asset to us and our growth to becoming the sixth largest Pest Control Company in the country. But most important are the friends we have met and the relationships we have maintained over the years.”
- Nancy DeLany, Arrow Exterminators

“One immense benefit of being an affiliate member is participating in the GAR conventions. It gives us the opportunity to build on existing relationships with our REALTOR® members, but also allows us the forum to present our products and services to prospective customers, so that we may help them better serve their buying and selling clients. To partner with the entity that defines the standards of professionalism only validates Georgia MLS as a company who is working shoulder-to-shoulder with GAR to help advance our industry.”

- John Ryan, Georgia MLS
